Exercice 8

The screenshot shows a mobile application interface for finding train routes. At the top, there is a status bar with the time 11:46, notification icons, and battery level at 60%. Below the status bar is a purple header with the word "Trains" in white. The main content area has a light gray background. It features two input fields: "Start" and "Destination", both with the placeholder text "Choisir une station" and a downward arrow icon. Below these fields is a purple button with the text "SEARCH" in white. At the bottom of the screen, there is a white bar with three black navigation icons: a square, a circle, and a triangle.
